To Whom It May Concern

Re: Mr Steve Varah, Cotswold Executive Transfer

Steve Varah has provided chauffeur services for me and my company for the past five years.

Steve is a professional, competent, trustworthy and confidential chauffeur, whom I use for all of my business travel within the UK. In addition, Steve is always very punctual, friendly and willing to accommodate wherever possible, even at very short notice, which happens on many occasions. Steve is a very helpful travelling companion and always attends to the smallest details, such as having refreshments to hand and the use of his charging facilities for mobiles etc..

I have always found Steve to be courteous and my company regularly use his services for our VIP guests and customers as well as for our senior directors.

I would have no hesitation in recommending Steve Varah of Cotswold Executive Transfer for any chauffeuring need.
